

Brain Resuscitation and Investigation of Neuroprognostication

*Impact factor 100
since May 2018*

Place: Chungnam National University Hospital
Medical Rehabilitation Center
3rd Floor Auditorim

Date: July 22, 2022. 12:30 P.M.

Brain Resuscitation and Investigation of Neuroprognostication

Place: Chungnam National University Hospital Medical Rehabilitation Center 3rd Floor Auditorim

Date: July 22, 2022. 12:30 P.M.

INVITATION

충남대학교병원 개원 50주년을 기념하고자, 저희 BRAIN team에서 symposium을 준비하였습니다. BRAIN team의 지난 4년 동안의 연구 성과를 돌아보는 시간과 함께, 심정지 후 치료에 고명하신 분들을 모시고 토론의 장을 열어 보고자 합니다.

바쁘시더라도 부디 참석하시어 자리를 빛내주시길 바랍니다.

충남대학교병원 BRAIN team
유연호 올림

PROGRAM

| | | |
|-------------|---|---|
| 12:30-13:00 | Registration | |
| 13:00-13:10 | Opening comment | Yeonho You Chungnam National University |
| 13:10-13:20 | Congratulatory speech | Hwan-Jung Yun Chungnam National University |
| 13:20-13:30 | Congratulatory speech | Byeong-Hwa Jeon Chungnam National University |
| 13:30-13:40 | Congratulatory speech | Insool Yoo Chungnam National University |
| 13:40-14:00 | BRAIN team past, present, and future: IF 100 | Jung Soo Park Chungnam National University |
| 14:00-14:20 | Break | |
| 14:20-14:40 | Footsteps of TTM in Republic of Korea | Chun Song Youn Catholic University of Korea, Seoul St. Mary's Hospital |
| 14:40-15:00 | Hemodynamic & physiologic change during TTM application | Wonjoon Jeong Chungnam National University |
| 15:00-15:20 | Cutting edge of TTM | Hong Joon Ahn Chungnam National University |
| 15:20-15:40 | Break | |
| 15:40-16:00 | Changes in ICP following CA | Yeonho You Chungnam National University |
| 16:00-16:20 | Application of illness severity in TTM | Byung Kook Lee Chonnam National University |
| 16:20-16:40 | Break | |
| 16:40-16:55 | Prediction of neurological prognosis using brain images | Jin Hong Min Chungnam National University |
| 16:55-17:10 | The prognostic value of EEG in CA patients | Changshin Kang Chungnam National University |
| 17:10-17:25 | Biomarkers as prognostic tools for CA patients | Yong Nam In Chungnam National University |
| 17:25-17:40 | Trends in TTM and the way to go | Won Young Kim Ulsan University, Asan Medical Center, Seoul |
| 17:40-18:00 | Closing comment | Yong Chul Cho Chungnam National University |
